Price: 30.00 \$

I won this gift certificate at work for two tickets to any 2015 2016 Danceworks Performance Company show and it is not something we really want to go and see.

There are three different shows to choose from:

Footsteps, Shadows, and Whispers on Nov. 5-8 2015

Writing About Music/Dancing About Architecture on March 3-6 2016

The Quest on May 12-15 2016

I called my box office which is on the information you would get in the mail, and they said that if you are planning on picking up the tickets, plan on calling them at least 48 hours in advance for the show you would like to see. If you are wanting the tickets mailed to you, then call them about 2 weeks before show time.
